Re: Umbrella Inc. wins Expression of Interest to deliver the City of Bayswater’s HACC Social Support and Centre Based Day Centre services from July 2018

Perth – Thursday, 25 January 2018. Umbrella Multicultural Community Care Services Inc. is thrilled to be selected as the organisation to take on delivery of the City of Bayswater’s HACC-funded Social Support and Centre Based Day Centre services. From 1 July 2018, the City’s current programs and more than 100 clients will find a new home with Umbrella Inc., which has been providing HACC funded services in the region for more than 17 years.

The transition will commence shortly. Umbrella Inc will work with all clients and stakeholders during this time to ensure there is no disruption to service delivery. Umbrella Inc management would also like to preserve these long running Day Centre and Social Support groups and provide clients from the City of Bayswater with even more opportunities for social engagement.

Umbrella Inc’s CEO, Anna Harrison, said she was delighted with the opportunity which will mean a more than 25% increase in Umbrella Inc’s current service delivery levels. “We are excited and honoured to be working with seniors from the City of Bayswater HACC and look forward to welcoming them all to our Umbrella Family” Ms Harrison said.

Umbrella Inc. successfully bid against other community aged care providers in the region.

“The key to our success has always been our willingness to have innovative and ground-breaking program delivery” commented Ms Harrison.

“Our drive is to continue to provide the best quality aged care services to seniors from all backgrounds with a focus on wellness, innovation and improvement of the lives of older people”
